

KAMLOOPS AIRPORT

MEDIA RELEASE

May 13, 2013

Kamloops Airport announces the traveler numbers for the month of April as compared to the same period in the previous year:

	2012	2013	Change
Monthly Travelers	20,427	22,676	9.9%
Year-To-Date Travelers	94,703	99,047	4.4%

Kamloops Airport saw growth in April that significantly outpaced that of previous months. This was due to a more compact period of movement of international students and a growing number of people working in Northern Alberta but living in Kamloops.

The following aircraft movements were recorded in April as compared to the same period in the previous year:

	2012	2013	Change
IFR	1,044	1,117	7%
VFR	<u>774</u>	<u>911</u>	<u>18%</u>
Total	1,818	2,028	11.5%

The additional aircraft movements are generally related to increased mining and oil & gas sector charters to move employees to and from the Kamloops area.
