

## KAMLOOPS AIRPORT

### MEDIA RELEASE

**July 12, 2013**

Kamloops Airport announces the traveler numbers for the month of June as compared to the same period in the previous year:

|                        | 2012    | 2013    | Change |
|------------------------|---------|---------|--------|
| Monthly Travelers      | 21,254  | 21,855  | 2.7%   |
| Year-To-Date Travelers | 136,734 | 142,597 | 4.1%   |

As in previous months, the increase in the number of travelers is reflective of the growing population of people who work in Northern Alberta but who live in Kamloops.

The following aircraft movements were recorded in June as compared to the same period in the previous year:

|       | 2012         | 2013        | Change     |
|-------|--------------|-------------|------------|
| IFR   | 1,015        | 977         | -3%        |
| VFR   | <u>1,134</u> | <u>1340</u> | <u>18%</u> |
| Total | 2,149        | 2,317       | 8%         |

The VFR aircraft movements were boosted by a great deal of airborne exploration work being conducted in the Kamloops area.

In June, the arrival sign was installed on the air terminal building providing everyone with an official welcome to Kamloops. Already, it is becoming a favored snap portrait for visitors to our city as the sign becomes a quick backdrop.
