

## KAMLOOPS AIRPORT

### MEDIA RELEASE

**February 12, 2014**

Kamloops Airport announces the traveler numbers for the month of January and year end as compared to the same period in the previous year:

	2013	2014	Change
Monthly Travelers	25,951	29,034	10.6%
Year-To-Date Travelers	25,951	29,034	10.6%

The strong start to 2014 is attributable mainly to additional competition on the Vancouver route and poor driving weather over the month of January. Sun Peaks got off to a great start this year and that has helped to keep the number of winter travelers up as well.

The following aircraft movements were recorded in January and the year as compared to the same period in the previous year:

	2013	2014	Change
IFR	1,124	1,264	12%
VFR	<u>549</u>	<u>401</u>	<u>-27%</u>
Total	1,673	1,665	-%

Aircraft activity has remained even over January of last year. Poor weather during the month saw many movement operate in Instrument versus Visual Flight Rules.
