

KAMLOOPS AIRPORT

MEDIA RELEASE

October 08, 2014

Kamloops Airport announces the traveler numbers for the month of September and year-to-date as compared to the same period in the previous year:

	2013	2014	Change
Monthly Travelers	21,620	23,349	7.4%
Year-To-Date Travelers	212,485	232,730	8.7%

There were a higher number of business related travelers over September, but earlier in the month there were also a significant number of people who took advantage of the delayed start of the school year for some last minute vacation travel.

The following aircraft movements were recorded in September as compared to the same period in the previous year:

	2013	2014	Change
IFR	954	1,084	12 %
VFR	<u>1,184</u>	<u>1,438</u>	<u>18 %</u>
Total	2,138	2,522	16 %

There has been an increase in commercial aircraft traffic that is normal for the fall period as businesses get back after the summer holiday period.

Near the Air Operations building work continues on a new parking lot to provide an additional 74 stalls for airport staff. This project should be completed by the end of October and will provide extra parking area for the public as airport employees are moved to this new parking area.

Renovations to the main washrooms in the Air Terminal Building are expected to be completed October 17. One more project to install new overhead doors on the Combined Services Building is expected to complete at the same time.
