

KAMLOOPS AIRPORT

MEDIA RELEASE

November 14, 2014

Kamloops Airport announces the traveler numbers for the month of October and year-to-date as compared to the same period in the previous year:

	2013	2014	Change
Monthly Travelers	23,718	25,395	6.6%
Year-To-Date Travelers	236,203	258,125	8.5%

In addition to continued increases business and industry related travel, leisure travel both to and from Kamloops contributed to the growth.

The following aircraft movements were recorded in October as compared to the same period in the previous year:

	2013	2014	Change
IFR	981	1,109	13 %
VFR	1,149	875	-31 %
Year-To-Date Movements	32,084	34,446	7 %

Fluctuations in aircraft movement activity are normal and can be attributed to many factors including weather, firefighting and corporate charter activity.

The expanded public parking lot is now available and customers are reminded to observe new directional signage identifying additional entry points and traffic patterns.

The public washroom renovations are now complete and visitors will note we've introduced a number of water and natural resource saving technologies to these facilities as part of our commitment to the environment and sustainability.

Finally, the new Executive Flight Center will open on November 25. This will be great extension of the services offered at Kamloops for general aviation, business and charter aircraft operators.
