

KAMLOOPS AIRPORT

MEDIA RELEASE

October 21, 2015

Kamloops Airport announces the traveler numbers for the month of September and year-to-date as compared to the same period in the previous year:

	2014	2015	Change
Monthly Travelers	23,349	24,887	6.2%
Year-To-Date Travelers	232,919	238,690	2.5%

Tourism travel continued to lead the way in September due to the lower Canadian dollar as compared to the US dollar. All routes to and from Kamloops are performing well and all are contributing to the increase in year over year numbers of travelers.

The following aircraft movements were recorded in September as compared to the same period in the previous year:

	2014	2015	Change
IFR	1,048	1,101	5%
VFR	1,438	1,464	2%

The growth in aircraft movements in the IFR sector are mainly related to new air cargo flights operating for package delivery companies.

Kamloops Airport, with the assistance of Transport Canada, has completed the reconstruction of 6,000 feet of its main runway. The project was completed on time, on budget and has met all design requirements. No impacts on flight operations were noted.
