

KAMLOOPS AIRPORT

MEDIA RELEASE

November 13, 2015

Kamloops Airport announces the traveler numbers for the month of October and year-to-date as compared to the same period in the previous year:

	2014	2015	Change
Monthly Travelers	25,395	26,748	5%
Year-To-Date Travelers	258,314	265,438	2.7%

Tourism travel continued to lead the way in October due to the lower Canadian dollar as compared to the US dollar. All routes to and from Kamloops are performing well and all are contributing to the increase in year over year numbers of travelers.

The following aircraft movements were recorded in October as compared to the same period in the previous year:

	2014	2015	Change
IFR	1,109	1,075	-1%
VFR	875	1,127	29%

The growth in aircraft movements are mainly related to new air cargo flights operating for package delivery companies.
