

KAMLOOPS AIRPORT

MEDIA RELEASE

December 10, 2015

Kamloops Airport announces the traveler numbers for the month of November and year-to-date as compared to the same period in the previous year:

	2014	2015	Change
Monthly Travelers	25,137	26,383	4.7%
Year-To-Date Travelers	283,451	291,451	2.9%

As in previous months, tourism travel continued to lead the way in November due to the lower Canadian dollar as compared to the US dollar. All routes to and from Kamloops are performing well and all are contributing to the increase in year over year numbers of travelers.

The following aircraft movements were recorded in November as compared to the same period in the previous year:

	2014	2015	Change
IFR	1,096	1,130	3%
VFR	901	801	-12%

Corporate flights have seen a bit of a fall off ahead and anticipated increase to come in December for the Christmas season.

As part of ongoing safety improvements at the airport, two new runway sweepers were put into service this month for the coming winter season. These new sweepers will be add to the reliability of the airport. This \$547,000 acquisition was funded in part by the Airport Capital Assistance Program through Transport Canada.
