

## KAMLOOPS AIRPORT

### MEDIA RELEASE

**May 10, 2016**

Kamloops Airport announces the traveler numbers for the month of April as compared to the same period in the previous year.

	<b>2015</b>	<b>2016</b>	<b>Change</b>
Monthly Travelers	24,492	24,434	even
Year-To Date Travelers	109,376	116,584	6.18%

An increase in tourism related travel is helping to offset the reduced number of migrating workers that were traveling to northern Alberta in previous years.

The following aircraft movements were recorded in April as compared to the same period in the previous year:

	<b>2015</b>	<b>2016</b>	<b>Change</b>
IFR	1,159	1,036	-11%
VFR	1,289	1,648	28%

With better weather in April, the number of Instrument Flight Rules (IFR) dropped off and instead flew on Visual Flight Rules (VFR).
