

KAMLOOPS AIRPORT

MEDIA RELEASE

July 11, 2017

Kamloops Airport announces the traveler numbers for the month of June as compared to the same period in the previous year.

	2016	2017	Change
Monthly Travelers	24,205	23,992	-0.9%
Year to Date	164,081	161,251	-1.7%

June traveler numbers were largely unchanged from June 2016. All sectors seem to be on par with last year. Year to date traveler numbers are improving after a slower start to the year.

For technical reason, aircraft movements are unavailable for June.

Regulatory changes are complete and now the surveying and painting of new guidelines to allow for the use of the rehabilitated apron area is under way. This \$3.4 million project is funded 75% by the Province of BC and 25% by the Kamloops Airport Authority Society.
